

**Publicly Traded Corporations that are doing business in Portland, as recorded by the Revenue Division of the Office of Management and Finance, City of Portland, Oregon, October 2016.**

This list was created by matching the publicly available list of publicly traded companies to the businesses in Portland's Business License Tax database. The list was used to estimate the revenue from the proposed surtax and may contain errors or omissions. This is not a list of corporations that *will* be subject to the surtax on corporations with CEO-worker pay ratios of more than 100-1, but rather, a list of corporations that *may* be subject to the surtax
